Re: Protecting the Privacy of Social Security Numbers (SSNs)

The Illinois Identity Protection Act, 5 ILCS 179/, contains requirements applicable to school districts and their employees. This letter's purpose is to help you understand the protections and requirements of this law.

In implementing this law and the Board's policy, I am seeking to:

1. Increase the awareness of the confidential nature of the SSN and the risk of identity theft related to unauthorized disclosure;
2. Have every employee understand that he or she is prohibited from collecting, displaying, or using another individual's SSN unless authorized by a member of the District administrative staff; and
3. Ensure the use of consistent protocol regarding SSNs throughout the District.

I have copied below sections of the Identity Protection Act that must be followed by every school employee. I have also attached the School Board's policy 4:15, *Identity Protection*. Please carefully read these documents. You will be contacted if you are scheduled to receive training on the protocol for collecting, using, maintaining, and disclosing SSNs.

An employee who has substantially breached the confidentiality of social security numbers may be subject to disciplinary action or sanctions up to and including dismissal, in accordance with District policy and procedures.

Sincerely,

Superintendent
