Conduct Code for Participants in Extracurricular Activities

The Superintendent or designee, using input from coaches and sponsors of extracurricular activities, will implement a conduct code for all participants in extracurricular activities consistent with Board policy and the rules adopted by any association in which the School District maintains a membership. The conduct code shall: (1) require participants in extracurricular activities to conduct themselves at all times, including after school and on days when school is not in session, and whether on and off school property, as good citizens and exemplars of their school, and (2) notify participants that failure to abide by it could result in removal from the activity. The conduct code shall be reviewed by the School Principal periodically at his or her discretion and presented to the Board of Education.

All coaches and sponsors of extracurricular activities shall annually review the rules of conduct with participants and provide participants with a copy. In addition, coaches of interscholastic athletic programs shall provide instruction on steroid abuse prevention to students in grades 7 through 8 participating in these programs.
